LEGISLATIVE COUNSEL'S DIGEST

SB 633, as amended, Huff. Bonds: fine for unauthorized use.

The ~~existing~~ State General Obligation Bond Law ~~contains~~ *provides* procedures for use in authorizing the issuance and sale and providing for the repayment of state general obligation bonds.

~~Existing law authorizes cities, counties, school districts, community college districts, and special districts to issue and refund general obligation bonds and prescribes the procedures for this purpose.~~

~~This bill would incorporate into the law authorizing cities, counties, school districts, community college districts, and special districts to issue bonds a requirement that if bond revenues from a bond resolution~~

~~are expended for a purpose not authorized by the bond resolution, then the party responsible for the unauthorized use shall repay all funds expended improperly to the bond fund, and pay a fine of a specified amount to the bond fund. This bill would require that the fine shall not be paid with proceeds from the bond fund that was misappropriated.~~
